

Midway Middle School Choir 2023 7th/8th Grade Solo Festival Unit

Dear MMS Choir Parents and Students,

Midway Middle School Choir will soon begin the Solo Unit. This is a wonderful opportunity for all of our 7/8th grade choir students to learn how to prepare and perform a solo. All 7/8th grade choir students will choose a solo to learn in class through teacher-led instruction. Directors will teach the songs to students and provide assistance on vocal technique and performance guidelines. Each student will be provided with a copy of the music and practice recordings for their individual song on Schoology.

All students will perform their solos in small groups for a teacher after learning their piece. Students may choose to take the solo they are learning in class, practice at home, and perform it for a judge. This is highly encouraged for all students. Every student who chooses to participate will strengthen their personal musicianship skills which, in turn, contributes to their choral ensemble here at MMS!
