## MMS Choir Poinsettia Fundraiser

Nov. 10 - Dec. 1, 2022

Dear MMS Choir Families –

MMS Choir students will be selling beautiful Poinsettias starting now, over Thanksgiving Break, and until December 1st. The plants are in 6 ½ inch pots with a gold foil wrap. We use Robinson Greenhouse and the plants are gorgeous and full every year. Those who purchase poinsettias can choose from the following color options: red, white, and pink!

The plants are on sale for \$15.00 each. Each student in the MMS Choir program is being asked to sell 4 plants as a goal. The top selling students in each class will win a prize! The profit from the poinsettias goes to the choir activity fund. This fund is used to support costs for upcoming programs like Region, Pizzazz, Choir T-Shirts, spring trips, social events, music, clinicians, etc.

**Poinsettias will arrive and must be picked up after school from 4:00-5:15pm on Thursday, December 8th.** We will ask for some students who sold RED Poinsettias to allow for a Dec. 14th pickup date immediately following the Winter Concert so we can decorate the stage with the beautiful red poinsettias. Please encourage your student to sell!!

Students are receiving the poinsettia letter, an order form, and information for online payment (MySchoolBucks). We will also accept cash/checks made out to MMS Choirs. ALL order forms and money must be turned in by December 1st.

Thank you and happy selling!

Kayla Torp & Hyeyoung Ku
