## All-Region Choir Auditions

January 21st, 2023 @ Belton High School

We have been “talking up” All-Region Choir Auditions for several weeks now in each choir class. This is a wonderful opportunity for our MMS singers to compete against singers from all other Middle School Choir programs in our Region! There are typically 700-800 singers at this audition each year! It’s much like being selected for an all-star sports team. We always encourage students to grow musically by participating in this wonderful opportunity. It requires independent study at home and lots of dedication! Please encourage your student to opt-in!

The vocal and accompaniment recordings they use to learn the music are on Schoology. We will host before/after school sectionals and pull students to rehearse during class time. Students will sing their region music for a director prior to the audition. You should be hearing their Region Music a lot throughout the fall and the holidays!

**\*\*Participating students will receive a contract to bring back signed in December.  
The \$6 entry fee must be paid by January 11th.\*\***
